Sandra Warren is a freelance writer with published works spanning gifted education, children's, "how to," creative writing, poetry, reader's theater, biography, historical non-fiction, scriptwriting, video and audio production. She has been a speaker, educational consultant, sales representative, and former editor of the National Association for Gifted Children Parent-Community Newsletter, and owner of Arlie Enterprises.

Presentations:

Sandra has presented workshops, lectures and keynotes throughout the United States, in British Columbia and London, England., on a variety of subjects including Young Author Presentations, "How to Publish" presentations, Developing Creativity, several facets of Gifted education from parenting to developing curriculum as well as memoir writing and topics related to the Persian Gulf War and WWII books she has authored. Through gifted education she has presented at multiple World, National and State Gifted Conferences on a variety of topics.

Sandra Warren lectures on the subjects of gifted education, creativity, parenting, "How to Publish" for teachers and other aspiring authors, and is a popular presenter at Young Author presentations in schools and libraries. She has presented at the international, national, state and local levels.

In addition, Sandra also presents on the topics of memoir writing and ghost writing as well as the Persian Gulf War as it relates to two of her books, When Duty Called: Even Grandma Had to Go and Hidden Casualties: Battles on the Home Front, and WWII and the American home front as it relates to her latest historical non-fiction, We Bought A WWII Bomber: The Untold Story of a Michigan High School, a B-17 Bomber & The Blue Ridge Parkway.
